

## Simply V at a Glance

As of: March 2019

### Simply V Streichgenuss ("Vegan Spread")

The Streichgenuss is an almond-based spread and available in three varieties: Pure, Herbs and Colored Peppers. The recommended retail price for the 150 g cup is € 2.99.

Simply V Streichgenuss Pure is fresh, creamy and versatile. It can be used like conventional cream cheese and is delicious as a spread, in sauces and pies. In addition, it is also ideal as a base for mayonnaise. Its big plus: a nutty-fresh taste with a slight almond note.

Simply V Streichgenuss Herbs has a spicy fresh flavor. Not only does it taste great on bread, bread rolls, bagels & Co., it is also an ideal companion for baked potatoes and vegetable sticks. It is particularly suitable as a topping for tarte flambée with a guaranteed crispy bottom.

With its fresh taste of red peppers, the Simply V Streichgenuss Colored Peppers provides piquant impulses. It lends a nice flavour to dips and fillings, i.e. dumplings.

## Simply V Genießerscheiben ("Vegan Slices")

For more variety in the selection of the bread covering, Simply V offers the purely vegan Genießerscheiben in four flavors: Mild, Herbs, Paprika-Chilli and Aromatic. The recommended retail price for the 150 g package with eight slices is € 2.99.

With their mild taste of almonds, the Genießerscheiben Mild are real all-rounders. Whether for a classic sandwich with cucumber and tomato or as a special salad ingredient - the Genießerscheiben Mild are just right for delicious ideas from breakfast to dinner.

Simply V Genießerscheiben Herbs with their fine spicy note provide for varied taste sensations. Basil, oregano, rosemary and thyme together with a touch of garlic give them a very special touch.

Simply V Genießerscheiben Paprika-Chilli provide an exciting mix of melting and spicy sharpness. For those who like it a bit spicier, this strain brings an extra dose of flavor.

For Simply V Genießerscheiben Aromatic, we worked meticulously to create a plant-based product that matches the taste of classic cheese – made for all cheese fans looking for an alternative. This was done very successfully: Simply V Genießerscheiben Aromatic were awarded the Superior Taste Award.

## Simply V Reibegenuss ("Vegan Grated")

For pizza, lasagna, casseroles & Co., Simply V Reibegenuss is perfect. The suggested retail price for the resealable 200 g bag is € 2.99.

Simply V Reibegenuss is the ideal plant-based alternative to grated cheese and refines various oven dishes. You may also serve it with noodles or gratinate a baguette with it. It forms beautiful pulling threads and a golden yellow crispy layer. In preparation, it is simply practical: already finished grated in the pack, you just need to sprinkle it over the dish of choice.

## Simply V Pastagenuss

With the vegan interpretation of the Italian classic, pasta and pizza, risotto and bruschetta, salad and many more dishes become a very special treat. The suggested retail price for the resealable 100 g bag is € 2.79.

Simply V Pastagenuss is a plant-based interpretation of parmesan and at least as tasty and spicy as the Italian classic. Delicious in taste, practical in use: already grated in the pack, you just need to sprinkle it over your dish of choice.
